

2020 Swimming Pool/Facilities COVID-19 Participation Agreement, Waiver and Release

Acknowledging that swimming and related physical activities are potentially hazardous, and that sanitation measures cannot guarantee elimination of all risks of contracting the COVID-19 virus, I hereby agree to the following as a condition of use of the Donaldson Run Recreation Association (“DRRA”) swimming pool, facilities and grounds (“Swimming Pool Facilities”) by me, my family members and all persons authorized to use the Swimming Pool Facilities under my DRRA membership (“Authorized Users”):

- I am at least 18 years of age;
- I and the Authorized Users are voluntarily using the Swimming Pool Facilities;
- I and the Authorized Users have read and are familiar with the DRRA rules and regulations concerning use of the Swimming Pool Facilities in effect for Summer 2020 (“2020 Rules”) and will read and become familiar with any updates to those rules;
- I understand that the 2020 Rules will be strictly enforced, and violation of those rules may result in suspension of individual Authorized Users, or of my entire household;
- Prior to being permitted entry and use of the Swimming Pool Facilities, I and the Authorized Users will be required to provide satisfactory answers to questions concerning our health status and possible exposure to COVID-19 posed by DRRA employees and staff, and agree to provide truthful and complete answers to such questions;
- Prior to being permitted entry and use of the Swimming Pool Facilities, I and the Authorized Users may be required to have our temperatures taken, and we consent to allowing DRRA staff to take our temperatures;
- In the event of answer to questions or temperature readings indicating possible COVID-19 illness or exposure in the household, I understand and agree that I, any person within my residence, or any Authorized User, may be denied access to the Swimming Pool Facilities until such time as a proper quarantine period has lapsed without symptoms;
- I will immediately report to the manager@drra.org and the president@drra.org a positive COVID-19 test for myself, any person within my residence, or any Authorized User, and will cooperate with and hold DRRA harmless for contact tracing efforts to identify potential cases of exposure;
- In the event of a positive COVID-19 test for myself, any person within my residence, or any Authorized User, I or the Authorized User may be denied access to the Swimming Pool Facilities until such time as a proper quarantine period has lapsed without symptoms;
- I assume all risks associated with my use of the Swimming Pool Facilities, which risks may include close contact with other Swimming Pool Facilities users, and individuals working at DRRA, exposure to the COVID-19, and sickness, death, and disability related thereto;
- I, for myself and the Authorized Users, and my heirs, representatives and assigns, and anyone entitled to act on my behalf, hereby waive, release, and hold harmless DRRA, its Board members, directors, officers, agents, employees, staff, vendors and volunteers (“Releasees”) from all claims relating to COVID-19 arising out of the use of the Swimming Pool Facilities by me or the Authorized Users.

Consistent with government and health department guidance, DRRA is implementing numerous measures to decrease the risk of exposure to COVID-19 at the pool. Individuals who are particularly at risk due to their age or health are encouraged to carefully consider their individual situation and err on the side of caution in deciding whether and how to use the pool this summer.
